

CHC Case Management

Removing barriers to successful course completion

We're undertaking a project to determine whether [CHCCSM013 Facilitate and review case management](#) unit should be moved to the elective banks in the *CHC52021 Diploma of Community Services*, *CHC50421 Diploma of Youth Work* and *CHC50321 Diploma of Child, Youth and Family Intervention*.

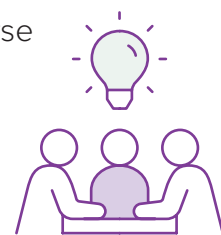

The *CHCCSM013 Facilitate and review case management* unit requires 100 hours of independent work placement however some states cannot provide these placements due to local regulations. Our project aims to ensure that all students enrolled in these qualifications can successfully complete their course.

A project to review the *CHC52021 Diploma of Community Services* qualification is currently being assessed.

Benefits of being involved

Your involvement in this project is important and will:

- help students successfully complete their course
- assist students to pursue further study in their chosen field
- ensure this unit remains a relevant unit of competency.
