

Outside of School Hours Care Project

Aligning requirements of a growing service

The Outside of School Hours Care (OSHC) project will transition the *10983NAT Certificate III in Outside School Hours Care* course to the *CHC Community Services Training Package*.

The OSHC sector has been the fastest growing service type within education and care services for the past decade. The OSHC course aims to meet the growing the sector's increasing need for qualified educators and improved workforce consistency, and to help mobility between OSHC and educational support roles.

Benefits of being involved

Your involvement in this project is important and will help:

- provide a reliable and consistent workforce
- create mobility between roles in OSHC and educational support sectors
- support continuity of care in students' daily life
- enhance coordination of student support needs.

How to get involved

Visit humanability.com.au to find out more about the project and to register for project alerts, updates and consultation opportunities.

Webpage: <https://humanability.com.au/projects/outside-school-hours-care.aspx>

There will be a range of activities during the consultation period such as workshops, meetings and submissions.
